

Weddings by Application

For 2026, 2027 and 2028 enquiries

For couples seeking a considered celebration in the Samford Valley Hinterland close to Brisbane

THE SUMMIT SAMFORD VALLEY HINTERLAND

Limited Private Weddings each year. Refined guest lists. Signature dining. Quiet luxury.

The Summit is suited to couples who would prefer a private estate setting over a large wedding venue. Our focus is on weddings that are carefully hosted, intimate and exclusive.

For 2026 and future dates, we are taking expressions of interest for micro weddings, seated shared-table receptions and accommodation-led celebrations. Maximum capacity is 80 guests, with smaller and intimate events and weddings preferred.

Private, unhurried and warm. Our venues are not a conventional function venue. A place for meaningful time: arrival, conversation, rest, shared food and a simple reason to gather. (Additional event guest numbers up to 100 by negotiation)

Signature Events

Seasonal dining, private tables and accommodation-led gatherings

Events shaped around food, wine, culture, land and the season.

The Summit Samford Valley Hinterland has a programme of signature events designed for smaller audiences and private groups. We provide seasonal dining, long lunches, firelight dinners, Chef's Table evenings, cultural events and accommodation-led stays.

These events are suitable for couples, families, executive groups, private clients and guests who prefer a hosted experience with a clear sense of place and time. Not every couple needs a wedding package. Some need a proposal dinner, a family table, a pre-wedding stay, a rehearsal dinner, a post-wedding lunch, or a private place to gather. Signature Events at The Summit Samford Valley Hinterland create those opportunities.
